Created optics for lighthouses  
the Fresnel lens; numerous  
tiers of prisms

The Balboa lighthouse overlooking  
San Francisco, had one from 1907-1933  
now in National Museum of Amer. History  
6 ft hi & 3 ft wide

Feb 1822

The "Tively" left New Orleans again, with another cargo of immigrants and implements for Austin's Colony in TX. It became wrecked on Galveston Island.

The schooner "John Motley" came along and took the immigrants off Galveston Island and landed them at the mouth of the Colorado R. Indian

plundered the route "Tory" or Sebastian  
Island and took off the farm implements  
General Trevelock took a few men ~~with~~  
& kept search for Ankia. William told  
us some looking to guard the store.  
Trevelock soon returned; he was unsuccessful  
the drought of 1822 ruined the corn crop  
they had planted. Thus discouraged, most  
of the colony drifted back to the U.S.

Mar 1822

Stephen F. Austin and about 15  
companions arrived in San Antonio  
to report progress of the new colony  
to Governor MARTINEZ. Martinez told  
Austin there had been a revolution in  
Mexico saying that Austin's land grant  
may not be legal now. Martinez told  
Austin to go to Mexico City himself and  
arrange with the new government

He told the companies to whom ~~that~~ <sup>the</sup> goods  
sold must go in the colony in his absence

May 13, 1822

After being in Mexico City for months Austin succeeded in getting a petition before the Mexican Congress

5 days later a committee granted him a hearing, but that night, a mob in the streets, proclaimed Iturbide, the President of the legency, Emperor of Mexico. The next day the Mexican Congress had little time for Austin!

get him. Then he got more than 2000  
made all kind of great great amount  
parade of a general campaign here.  
There he made union meeting on  
August 2. Thursday. He was forced to not be  
very poor educated. Smeltzinger made a great  
good night. Smeltzinger made a great  
making friends in New Orleans. Another  
also learned from General Pittman (Goodall Ward)  
English spoken by Pittman with Pittman he later became  
connected

1822

Poland-Lithuania

Greeks rebelled against Turkish  
rule and received assistance  
from European powers to  
gain autonomy for Greece,  
1822-1829

Mar 20, 1822

Austen set out for Mexico City, with 2 companions, to seek confirmation of his land grant.

100 mi from San Antonio, Austen and his friends were attacked by Comanche Indians. They were stripped of their belongings. When the Indians discovered they were Americans, they restored the belongings and released

them. Upon arrival at Mexico City Austin  
immediately went to the proper offices  
where he found he had competition. Getting  
no satisfaction Austin consulted another in  
the city
